Subject: [External] Atlantic Pipeline

CAUTION: External email. Do not click links or open attachments unless verified. Send all suspicious email as an attachment to report.spam@nc.gov.

Governor Cooper,

I can't believe that you are planning to approve the Atlantic Coast pipeline. There are so many environmental and health reasons to not approve it! Our health and our future is more important than the financial gain of the oil corporations!

Please reconsider. Spills will happen.
